ABBEY ROAD

Abbey Road is the eleventh studio album by the English rock band the Beatles, released on 26 September 1969, by Apple Records. It is the last album the group recorded

The Beatles had been going through many issues:

- The recording of "Let it be" (which was released years later)
- Each member had started their solo career
- There were creative differences in the studio.

So one day they decided to record a last album: "Abbey Road"

ICONIC SONGS

The album includes many of the band's most iconic songs:

- "Something" was written by George Harrison and praised by John and Paul who were the main composers of the group
- "Octopus Garden" was one of the few songs written by Ringo, it represents the wish of Ringo to feel calm and happy during tense moments in the band

- "Here comes the sun" was written by Harrison, after he feeling relaxed from the tensions group
- "Come together" written by Lennon was made for a political campaign, but after a conflict with the candidate he decided to use it for the album
- The final medley includes "Golden slumbers", "Carry the weight" and "The End", which have a solo from each member of the band

Months after recording the album, they separated.
